

Dance for a minute but no music can be playing.

Speak in an accent for the remainder of the game.

Play your most recent like on Spotify or apple music.

Say something in a different language.

Let someone in the group do your hair and makeup

Make everyone in the game smile once.

Let someone draw something on your arm.

Freestyle rap about someone in the group

Let the person in front of you slap you.

Spin an imaginary holihoop but tell no one or talk to them for the next two turns.

Sit on another player's lap until the next turn.

Mix a little bit of everyone's drink and drink it, (unless unsafe)

Do an interpretive dance of a controversial topic

Let the group look through your phone for a minute

Let somebody draw on your face with a (washable) pen
